Dear Mr. Copeland:

I have just received your letter on my return from Chicago. Mr. M. C. James is the only son of Mr. C. C. James of St. George Street, and must be now in his third or fourth year in Arts in Victoria College. He is a prominent member of one of the fraternities, and has for several years been coming to a Sunday afternoon class I hold in the fraternities. He is a very likeable fellow, and I should think would be admirably suited for the kind of work that would be done by the Y.M.C.A. with the troops at the front. With kind regards, I am,

Yours sincerely,

President.
